Estimate (95% CI) of effect of year on longitude gCOB

Decapterus macarellus
Centrarchus myoxocephalus
Scorpaenopsis diabolus
Halargyreus acadiaensis
Otophrynchus punctatus
Polydora cornuta
Karstodius albidus
Paralichthys dentata
Pareques acuminatus
Lutjanus griseus
Centropomus viridis
Ancylotus lineatus
Centropomus pinnatus
Urophycis regia
Symphodus elongatus
Citharus linguatula
Rhomboides elasmius
Cyclosetta hutchinsoni
Scorpaenopsis diabolus
Scorpaenopsis diabolus
Brepholopsis trilineatus
Scorpaenopsis diabolus
Astrochelys diabolus
Bathymyrus alexandria
Neomerinthe hermanni
Gymnothorax heterocephalus
Hirundichthys rondelii
Archosargus probatocephalus
Sardinella tawilis
Stephanolepis hispidus

Rypticus saponaceus
Pareques acuminatus
Prionotus roseus
Synodus foetens
Engyophrys senta
Scorpaena calcarata
Citharichthys spilopterus
Trichopsetta ventralis
Diplectrum bivittatum
Serranus atrobranchus
Prionotus longispinosus
Rhynchoconger flavus
Pontinus longispinis
Lepophidium brevibarbe
Ophidion holbrookii
Syacium gunteri
Lepophidium jeannae
Ophidion welshi
Ogcocephalus declivirostris
Gymnothorax kolpos
Ogcocephalus nasutus
Bellator brachychir
Echiophis punctifer
Saurida normani
Gobioides broussonneti
